

Liedtext (Karl-Heinz Krummeck, Eva Ender):

„P(L)EACE – Stop the War – now!

... We are on our way ..."

„We are on our way ...“

„We are on our way ...“

Prinzessin Europa² beginnt:

We hear the kids crying

We can see their dreams are dying

We want to end this now

Europe - we show you how

Kinder stimmen ein:

We are on our way, mhmmm, We are on our way,

Prinzessin Europa² antwortet:

I will not argue - i will sing

when music speaks - the hearts will swing

God above says: „Yes you are right!“

Politicians, you can not stop the fight

Peace and friendship are our goal

Do you already feel that our music touches your soul?

Die Kinder singen lauter:

We are on our way, We are on our way - Nobody can stop us now

Prinzessin Europa² ermahnt die "großen Führer":

Even the alarm bells are ringing

Do you hear the kids now singing:

Die Kinder singen noch lauter:

„We are on our way, We are on our way,

Nobody can stop us now

Nobody can stop us all now“

Die Prinzessin Europa² lässt die Musik sprechen:

I can't explain this all with my Heart

it is the European E2 - It's a kind of art

Nobody can stop us all now“

Die Kinder singen zusammen mit der Prinzessin Europa² - mit all Ihrer Kraft:

There can be miracles if we believe

Mountains can moved - we will achieve

There can be miracles if we believe

Mountains can moved - we will achieve

We are on our way, We are on our way,

Nobody can stop us now

Nobody can stop us or end this all now

Am Ende des "Friedenszuges" singen alle Menschen in Europa sehr laut:

„P(L)EACE – Stop the War – now!“
